The Georgia General Assembly met for week two of the 2014 legislative session. Here are some highlights:

**AFY 2014 Supplemental Budget:** The AFY 2014 Supplemental Budget was passed in the House this morning, moving to the Senate for consideration. There were no drastic changes to the original document, but a comparison between the House and Governor’s recommendations can be found in the [Budget document itself](#).

**HB 310:** the Governor signed HB 310 on January 21st, moving state and partisan county primaries to the same day, from July to May 20.

**Guns:** HB 512, which would allow Georgians with a weapons permit to carry guns into churches, parts of college campuses and bars, is expected to be revised by another gun bill being introduced soon. The provision in the proposed bill would drop the language allowing students to carry weapons on public college campuses. We will be closely watching this legislation as it progresses.

**Georgia Bio Day at the Capitol:** Georgia Bio Day will be held on January 29th. The legislative breakfast reception is from 8:00 to 10:00 in room 216 of the Capitol and the Brown Bag Bio Lunch will take place at the Georgia Railroad Freight Depot from 11:30 to 1:00.

**Schedule:**
- The Senate is in recess until 10:00 Monday morning.
- The House is in recess until 11:00 Monday morning.
- The General Assembly will be adjourned on Friday, February 14 through Monday, February 17.
- They will begin the 24th day of the 2014 Legislative Session on Tuesday, February 18th.

Summary Mar/28/2013 - House Withdrawn, Recommitted

(Support) Invest Georgia will be overseen by a five-member appointed board. Through a competitive bid process the board will select a third-party fund administrator, which will then competitively select venture capital funds to manage investment activities focused on both Georgia early or seed stage and growth stage companies. The venture capital funds must have or establish a physical presence in Georgia in order to ensure that the investments are Georgia-focused. The State will contribute $95 million over a five-year period into the Fund to serve as principal. The
returns from the investments by the venture funds would be distributed in the following manner: the principal amounts of the investment will be retained by the Invest Georgia Fund as well as 80 percent of the profit, while the remaining 20 percent will be retained by the venture fund as profit. The Invest Georgia Fund is created as a separate fund maintained by the board and will be capitalized through grants from the existing Seed-Capital Fund, designated State appropriations to ATDC, and private contributions to the board. The capital raised will be periodically distributed to the venture capital funds selected by the fund administrator. State funding will be dispersed annually over a five-year period in the following amounts: $10 million; $10 million; $15 million; $25 million; and $35 million.

4 - House Second Readers

HB 707 is to be known as "The Georgia Health Care Freedom and ACA Noncompliance Act." This bill proposes to prohibit the implementation of the Affordable Care Act by any local municipality, State Agency or political subdivision of the State of Georgia. It has been referred to the Committee on Judiciary. For more information, refer to this recent article from the AJC: http://www.ajc.com/weblogs/political-
in an activity that aids in the enforcement of the federal Patient Protection and Affordable Care Act of 2010; to endow the Attorney General with authority to bring suit to enjoin violations of such prohibition and issue advisory rulings; to provide that neither the State of Georgia nor any of its political subdivisions shall establish a health care exchange; to provide that no agency, department, or other state entity shall authorize any person acting on behalf of such agency, department, or entity to undertake any action under the aegis of Section 2951 of the federal Patient Protection and Affordable Health Care Act of 2010.
