# Georgia Life Sciences Day at the Capitol

February 25, 2020

*Join Georgia Bio to celebrate the accomplishments and discoveries of the pharma, biotech and medtech industries in our state.*

Georgia Bio's annual Capitol Day is the chance for members to showcase their innovative products, services, and discoveries at the Georgia State Capitol in Atlanta. The event gives members the chance to meet one-on-one with Georgia's policymakers. The overall mission of the event is to present to the Georgia General Assembly Georgia Bio's legislative agenda and vision for life sciences economic growth.
