

ELN Mentor Program

Georgia BioEd has a vested interest in building up young professionals in the life sciences community in the state of Georgia to empower the next generation of leaders. Mentorship serves as a key component of accomplishing this goal, and Georgia has no shortage of leaders in life sciences that can serve as excellent mentors.

Year 1 Stats:

25 Mentees

25 Mentors

Program:

September: Mentee professional development sessions (with deliverables):

- Resume Development
- Professional Communication
- Elevator Pitch
- Professional Etiquette & Online Presence

October: Mentor meeting to discuss expectations

October through December: Mentees meet with each of their 2 mentors twice

December: Wrap-up meeting for Mentors and Mentees
